*37. SHRI S. S. SURJEWALA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government are aware that Haryana State continues to be a State without its own capital even after 30 years of its formation;

(b) whether Government are aware that the non-existence of State's own capital has resulted into retardation of its progress in the fields of culture, education, employment and development; and

(c) if so, whether Government would take suitable measures to help the State in building its own State capital?

THE MINISTER OF HOME AFFAIRS (SHRI INDRAJIT GUPTA): (a) to (c) The issue of a separate State capital for Haryana is inter-linked with the issues arising out of the territorial claims put forward by Punjab and Haryana consequent upon the enactment of the Punjab Reorganisation Act, 1966. Chandigarh is serving as capital of both Punjab and Haryana for the present, and it is not true that the State of Haryana is without a capital. Haryana has also made substantial progress in the fields of culture, education, employment and development.
